

From OECD 2013 to GGKP 2014: Setting a Global Fiscal Policy Research Agenda
Friday 6 December 2013, 12:30-14:00

The Green Growth Knowledge Platform (GGKP) will host a lunchtime session on December 6th during the OECD's Green Growth and Sustainable Development Forum. Boxed lunches will be available on a first-come first-serve basis.

This session aims to:

- Introduce the GGKP, including its collaborative **knowledge generating** strategy and current and planned research committees,
- Share updates on the GGKP's **knowledge management** and **knowledge sharing** efforts, including outreach with Partners and a *sneak peak* of the GGKP's new web platform,
- Announce the theme for the **GGKP's 2014 Annual Conference**, and
- Facilitate an open discussion on how the outcomes from the OECD Green Growth and Sustainable Development Forum can be further developed through the GGKP's 2014 Conference and research program.
